**A Few Notes About Our Field Station**

Volunteers are representatives of ES. We are a small close-knit organization that operates in a professional manner. We ask that volunteers follow the same codes of conduct that our employees do:

1. Please dress appropriately – no tank tops, halter tops or t-shirts with offensive sayings.
2. No dogs or cats on our property (it is for the welfare of our wildlife and our land).
3. No smoking or lighting of fires.
4. No fishing or harvesting of animals or plants.
5. ES provides a drug-free, healthy and safe environment.
